Just got out of meeting with David W. and Hugh Barroll.
We're good. I'll now write e-mail to Joe at WM and follow-up with a call. I'll cc: ALCON on note to Joe (but not Jeff). And later today, once I understand how things stand for the weekend, I'll get a brief note to Jeff, cc: our internal team within WM.

It was good chatting with them, mainly helps me understand CWA issues more, and I got to fill them both in more on the technical issues. A good exchange.

Cheers,
